Project Description

Contemporary and Art Deco inspired apartments in the heart of Brixton.

Experience the buzz of Brixton from this fantastically located development, with a vibrant array of bars, restaurants, live music venues, parks and transport links all nearby. Brixton Centric is a regeneration project which will deliver 72 new homes, as well as improvements to the public realm.

Key points

Ivor House - Ready and Available to Move In!

Located in one of London's most eclectic postcodes, the newly refurbished Ivor House is a landmark Art Deco building comprising of stunning apartments, also styled with Art Deco features, providing unmistakable charm for a truly exciting lifestyle. Situated just minutes from Brixton underground station, Ivor House is perfectly positioned to offer the culture and artistic heritage from Brixton town centre, whilst having convenient transport links to The City and West End.

Brook House - Also Available

Brook House at Brixton Centric, welcomes you to the beating heart of SW2: one of London's most eclectic, creative and happening postcodes. Far more than London's new Shoreditch, Brixton's artistic heritage, outstanding architecture and world-renowned nightlife has long made it a destination locale. Now, with its redevelopment well under way, Brixton is set to become an even more attractive postcode. The luxurious Brook House will help to define its character — bookending the High Street with its scale and giving you easy access to a uniquely exciting lifestyle.

Features

Brook House will deliver 46 private apartments, with completion anticipated for the last quarter of 2018, this new development will be adding to the already vibrant community with exciting new places to live, making the area more open and accessible to residents.
