### Enhancing communities

This 680,000 sq ft mixed-use development, on 5.5 acres, will deliver a total of 652 new homes by early 2016.

### Improving The Environment

In an area which formerly comprised 1960s residential blocks, poor retail space and a failing street market, this development of contemporary apartments now boasts communal gardens and allotments.

### Working Together With Our Supply Chain

ECf was the first developer to begin work within the Canning Town & Custom House Regeneration Area programme, which is transforming the area physically, socially and economically.
