Permission granted for new homes, commercial space and public bridge at Brentford Lock West

Brentford Lock West continues support for relaunched sporting event at Syon Park

Responsible business

Enhancing communities

The project will create much-needed new homes and community spaces.

Improving The Environment

The development of a new council office building will release the historic town hall for community use.

Working Together With Our Supply Chain

We will generate hundreds of new construction jobs, including around 45 apprenticeships, and the scheme will pay for itself through the redevelopment of old and expensive to run office buildings.

Plans approved for exciting next chapter
in Millbay's regeneration
