Muse shortlisted for two Insider Yorkshire Property Awards

Muse is celebrating after being shortlisted for two gongs at this year's Insider Yorkshire Property Awards.

Following a record number of entries, Muse has been selected in the Deal of the Year category, thanks to Premier Farnell's 361,000 sq ft Logic Leeds move, which has been forward funded by Aberdeen Standard Investments.

Muse has also been shortlisted in the coveted Developer of the Year category, due to its work at the 110-acre Logic Leeds development, at the mixed-use Merchant Gate project in Wakefield, along with a range of residential schemes in the region.

David Wells, regional director at Muse Developments was delighted with the news. He said: "The Insider Yorkshire Property Awards is one of the biggest industry events of the year in the region, so we are very proud to be shortlisted in two categories this year.

"A number of our schemes across Yorkshire have progressed considerably over the past 12 months and we look forward to contributing further to the success of the region through our development and regeneration work."

Muse will now go up against the biggest and best from the property industry at a prestigious awards ceremony, to be held at New Dock Hall in September.
